PROOF OF CONCEPT (POC) AGREEMENT

BETWEEN

NEILOS NETWORK LIMITED

AND

FLASHNET TANZANIA

THIS AGREEMENT is made on the 1st day of September, 2026.

BY and BETWEEN

NEILOS NETWORK LIMITED a company incorporated in Tanzania under the Companies Ordinance (Cap. 212) of the Laws of Tanzania with its registered office at 15th Floor, Derm Plaza, Plot 18 Block 45 A, Makumbusho, Dar es salaam, P.O. Box 11692, Dar es salaam (hereinafter **"Neilos"** which expression shall, where the context so permits, include its assigns and successors in title) of the other Part.

AND

Flashnet a company incorporated in Tanzania under the Companies Ordinance (Cap. 212) of the Laws of Tanzania with its registered office at 5th Floor, Garden Avenue Tower (PPF Towers), Ohio Street, Dar-es-salaam, Tanzania, (hereinafter referred to as "**customer**" and shall, where the context so permits, include its assigns and successors in title) of the other part

(The Customer and Neilos may hereinafter collectively be referred to as "the Parties")

WHERE AS:

A. The **Customer** intends to evaluate layer two service performance from Neilos at the location to be agreed. The customer demands to experience the service for the agreed timeframe, before committing to signing the commercial service Order form.

B. **Neilos** intends to install the necessary physical connections at the customers' locations and provide layer two service for the specified timeframe. The service performance will adhere to the agreed Proof of Concept (POC) criteria matrix.

NOW THEREFORE IT IS HEREBY AGREED as follows: -

The Parties have agreed that during the PoC period, the following terms and conditions shall be applicable.

Terms	Description	Site Location (GPS)	Capacity	POC Period	Set up Charges (TZS)	Recurring Charges (TZS)
POC	Dedicated layer two service	Flashnet Tanzania	50Mbps	7	0	0

Start/Effective Date: The official PoC commencement date is the date that the point-to-point reachability is established.

Purpose:

i. By signing this PoC Agreement, the Parties agree to evaluate Neilos's layer two service prior to entering any formal service contract.
ii. The PoC shall be provided at no cost to the Customer, and all setup and operational expenses shall be borne solely by Neilos.
iii. Neilos should make the customer aware of applicable charges related to the actual service being demonstrated.
iv. The PoC period shall not exceed seven working days, unless extended by mutual written agreement.

After POC:

v. Upon completion of the PoC, Neilos Project Manager shall engage the Customer to obtain formal feedback.
vi. If the PoC is deemed successful, the Customer shall sign the PoC Acceptance form, allowing commercial sign-off to proceed.
vii. The Parties shall thereafter agree to execute the Service Agreement and Service Order Form for a minimum service term of twelve (12) months.
viii. If the PoC is unsuccessful, the Neilos Project Manager shall arrange for the removal and retrieval of all Neilos-installed on-premises network equipment.

Terms Relating to the POC

i. The PoC will be governed as per "**Annex A**" (Testing Criteria Terms) attached with this Agreement.
ii. Neither party shall divulge any confidential information of what nature of each other of during the duration of the Agreement. This obligation shall survive the termination or expiry of the Agreement.
iii. Neither party shall sub-contract or assign wholly or part of any obligation or rights or benefit entitled in this Agreement to the third party without prior obtaining consent of the other party.
iv. No modification, amendment, variation or review of any provision of this Agreement shall be permitted unless it is mutually agreed and reduced into written form and signed by both parties.
v. No Party shall be liable for any failure to fulfill its obligations under this document, where such failure is caused by circumstances outside the reasonable control of a Party, this includes without limitation, any Act of God, insurrection or civil disorder, war or military operations, acts of terrorism, national or local emergency, acts or omissions of Government, labor disputes, fire, lightning, explosion or any other such cause (each an "event of force majeure"). Both Parties agree that any of the events mentioned herein shall qualify as an event of force majeure only when such event cannot be resolved through the exercise of a Party's reasonable effort or expenditure and the force majeure event is unforeseeable.
vi. Neither Party shall be liable to the other for any type of special, indirect and/or consequential losses, loss of profit, revenue, anticipated savings, business transactions or goodwill or other contracts arising from negligence or breach of the agreement.

vii. The Laws of the United Republic of Tanzania shall govern the terms and conditions of this Agreement including all incidental issues arising in relation to and/ or necessary for the operation of this Agreement. In case of any dispute in connection to this Agreement, the competent Court of the United Republic of Tanzania shall have exclusive jurisdiction to adjudicate and determine the matter.
